

Mountain Food Products 2024 Multi-Farm CSA

Mountain Food Products is accepting members for our **2024 Multi-Farm CSA!** Being a multi-farm CSA, we source produce from an array of farms in Asheville and the surrounding areas to offer you a wide variety of fresh, local produce. As a member, you will receive a box of produce each week throughout the growing season, delivered to a convenient location near you.

How Does It Work?

CSA stands for *Community Supported Agriculture*, and is an investment at the beginning of the season that pays off every week throughout the growing season. There are two share sizes to accommodate different households: our small share contains 6 items and feeds 1-2 people, while our large share includes 10 items and feeds to 2-4 people. You can expect items such as strawberries and radishes in the spring, tomatoes and peppers during the summer, and hard squashes and apples in the fall. Expect a great variety and some fun surprises too!

CSA boxes are delivered *every Thursday*, starting May 30th and running through October 24th. That's *5 months* of fresh, local produce! A list of farm names will accompany each box and you will also receive a weekly e-mail with recipes to provide some inspiration!

Where Can I Pick Up My Share?

We offer multiple pick-up locations throughout Asheville, so choose the one that's the best fit for you.
